References to land of Ranisone, Ransone or Ransoms

Eliz. City Records 168?-1699 – Indexed but missing

Ransons	Pat for 200 acres land	102
Ransons	Assignt of land to With	103
Ransoms	Deed to With	103
Ransoms	Power to Mihill	93

These page nos. are probably in the "separate volume" mentioned by John Booker, who copied the book in 1893. He wrote on page 205: "The following pages are in the rear of the book and are written reversed beginning with the bottom line. They doubtless once constituted a separate volume." Unfortunately, only a few pages – none of the above – remained in the book in 1893.
