Re: The World's Largest Paper Plane  

Dear Ms Ballew  

Thank you for your kind assistance. The Imperial Cancer Research Fund is holding a fundraising tournament at the Imperial War Museum in Cambridge which will feature at least two companies attempting to break the current world record for the largest paper plane.  

I would very much like to fax Dr Grosveld further information about this unique competition and would greatly appreciate it if you were to forward the relevant fax number to me.  

Once again, thank you for your help and I look forward to receiving the "The White Pelican Project" Journal.  

Yours sincerely
