Head, 8-Foot Tunnels Branch, FSRD

Custody of property in buildings 582, 582A, 583, 583A, etc., the former General Aerodynamics Branch

The custodians of property in the former General Aerodynamics Branch were Messrs. Albert T. Bruslow and Kenneth E. Singleton. Since the branch has been dissolved (see ref.), it is requested that Mr. Thomas H. Redding, the lead mechanic in this area, be designated custodian for the 8-Foot Tunnels Branch and that procedure be instituted for this transfer.
