Sir:

You are authorized to proceed to Moffett Field, Calif., on or about October 28, 1947 to participate in a NACA conference on aerodynamic problems of transonic airplane design to be held there.

The use of Government air transportation, either military or civil, is authorized if available but is not required.

Upon completion of this temporary duty, you are authorized to return to your present station.

Government transportation requests are attached. Costs should be inserted on the carbons of the requests. You will be expected to take advantage as far as practicable of special or round-trip rates offered by carriers. Upon completion of travel, the book of stubs, with any remaining requests, should be promptly returned to this office with information as to the time of beginning and ending the travel covered by each request.

While in a travel status under this authorization, you will be allowed traveling expenses in accordance with Standardized Government Travel Regulations, including $6.00 per diem in lieu of subsistence.

Respectfully,

LANGLEY MEMORIAL AERONAUTICAL LABORATORY

Richard T. Whitcomb
Aeronautical Engineer
National Advisory Committee for Aeronautics
Langley Memorial Aeronautical Laboratory
Langley Field, Va.
(Through official channels)
