Attention: Mr. R. A. J. Hannam
Information Officer

Gentlemen:

Your letter dated February 26, 1969, reference TL/EAD/EN/6603, requested further information on the supercritical wing described in the Aviation Week and Space Technology issue of February 17, 1969. All information of an unclassified nature has been published in the several articles in Aviation Week and Space Technology as noted in your letter. The technical reports on this new wing are still classified. Thank you for your interest.

Sincerely yours,

Richard T. Whitcomb
Aero-Space Technologist
