REPORT OF FOREIGN TRAVEL
(To be submitted in triplicate within 10 days after foreign travel is completed.)

Prepared by: R. T. Whitcomb

Routing and Approvals:
2. Dir. for Aeronautics
3. Office of Director

Attn: Jules M. Miller, M/S 105

INSTRUCTIONS: The following information should be included in the report:
1. Name of traveler
2. Names of countries and organizations visited and dates
3. Classification of visit
4. Brief report of visit, including key discussions, new technological areas discussed, and commitments
5. Name(s) and title(s) of individual(s) contacted
6. Documents given to contact(s)
7. Documents received from contact(s)
8. Action taken or contemplated by brief Langley or other NASA personnel on information derived from this trip
9. Additional codes (in NASA Hq block below) that should receive report

(Use this space for report and attach additional pages if necessary.)

1. Richard T. Whitcomb

2. Israel
   Ninth Congress of the International Council of the Aeronautical Sciences
   Haifa (8-26 to 8-29-74)
   Technion, Haifa (8-29-74)
   Isreali Aircraft Industries, Tel Aviv, (8-30-74)

3. Unclassified

4. At each place discussed declassified aspects of NASA supercritical airfoils. No commitments were made.

5. At Congress talked with many aerodynamicists from a number of countries of Europe, at Technion talked with members of aero faculty, at I.A.I. talked with most members of the Aero Engineering Dept. (principal contact, Dr. B. Coleman)

6. None.

7. Preprints of several pertinent papers given at Congress.

8. Gave copies of preprints to cognizant technical members of Langley staff.

9. Code R.A.

Copies to NASA Hq., Code I, Code RC and Code(s) _______________________

Approved for transmittal: _______________________, Office of Director
